Dear Glencoe Resident,

As a member of the Glencoe community, you know the District 35 schools provide the best education to all our students. You may also know the Glencoe PTO is a proud, long-time partner with our District 35 schools. Each year we work closely to support the schools by underwriting outstanding extracurricular clubs, cultural experiences, much-needed educational resources and more.

What you may not know is that you are a critical part of that story! The “power of partnership” is exemplified by the extraordinary way the Glencoe PTO works with our community to enhance the schools in our district. While your tax dollars help pay for the basic requirements of our children’s education, donor support of the Glencoe PTO ensures our children receive an educational experience that goes well beyond the basics. Your donation supports PTO funded initiatives including:

- ✦ 38 extracurricular clubs at South, West and Central Schools
- ✦ Science curriculum enhancements and resources
- ✦ Cultural Arts programming in all three schools
- ✦ McKeon Scholarship Fund, the financial aid fund that allows all students to participate in school activities and lunch programs regardless of ability to pay
- ✦ Philanthropy programming at local charities
- ✦ Parent education and outreach programs
- ✦ Staff Appreciation programming

**We are asking you to make a tax-deductible, charitable contribution to ensure we reach our goal of raising \$30,000.**

A reply card is included or we invite you to give online at [GlencoePTO.org](http://GlencoePTO.org).

We look forward to welcoming you as a donor this year,

*Sara Elsassner Judd Kohn*
